HKHA Sections' Committee Members

Dear Club Convenors and Umpires,

We would like to draw your attention that a goalkeeper field has been added to our e match card platform. All teams are required to input their goalkeepers (and players with goalkeeping privilege) for each of the matches.

Umpires are to oversee that team lists submitted should include entry of this field, if appropriate. Should this not be the case, umpires are requested to enter this information in the comments box.

In order for us to raise the transparency of our matches and help promote our game, we have made the match cards available on the results pages. Once the result of a particular match is clicked, the respective match card will show up. What's more, we have added social media buttons (on the bottom for mobile access and on the side for desktop access) so that you could immediately share match cards and other HKHA web pages on your social media accounts and chat groups.

In the next few months, we are making further enhancements to improve our efficiency. Meanwhile, if you have any suggestions, please feel free to contact us.

Regards,

Ernest LI

Hon. Secretary General

The Hong Kong Hockey Association
