Dear all,

After careful consideration of the current situation, potential disruptions in various districts and safety of participants, players and officials, the Hong Kong Hockey Association (HKHA) has decided to cancel all hockey activities under the auspices of the HKHA including league matches and training classes on 5 and 6 October. League matches will be rescheduled to another date in due course. Please ensure all participants, players, and officials are informed of the cancellation. Thank you for your understanding.

Your sincerely,

Ernest LI

Hon. Secretary General
