Dear all,

The LCSD has announced that their land sports facilities will re-open from Friday 18 September 2020.

In anticipation of this re-opening the HKHA has prepared the attached HKHA Hockey Activities 2020/21: Guidelines and Special Arrangements on Prevention of COVID-19 to show the practices to be followed by all participants when resuming hockey activities.

As the rules, regulations and recommendations around Covid-19 evolve, the HKHA reserves the right to update the attached document from time to time.

We also attach the Return to Hockey Phases overview previously circulated by the HKHA's Men and Women sections.

The return to competition will be gradual. However we are encouraged by the positive developments and the Government's decision to re-open the hockey pitches.

Should you have any questions about the above please do not hesitate to reach out to the HKHA.

Regards

Ernest Li

Hon. Secretary General
