4. Player Registrations

- Club convenors must ensure for their records that the email address provided for each currently registered player is correct and valid.
- A key change is that every player (or their legal guardian) has to complete an online registration individually.
- Details on how returning players and new players will be registered in the new website will be provided separately.

5. Ongoing communication with HKHAWS

During these uncertain times we appreciate some teams may be experiencing difficulties either now or later in the season and we strongly encourage all clubs to maintain open communication with us about potential difficulties so they can be considered carefully by the Committee earlier on. For example, the minimum number of players that may be registered in a team is 15 players. Should you have any concerns about meeting this requirement please contact the HKHAWS by **2pm on Thursday, 15 October 2020** so that the Committee may consider any potential dispensations on a case by case basis prior to the payment deadline.

Best regards
